Our daily building cleaning includes:

- Sweeping or vacuuming all floors
- Dusting all reachable horizontal surfaces
- Sweeping all steps and sidewalks
- Cleaning elevator cabs
- Emptying all waste containers
- Cleaning all public restrooms

### **B. SPECIAL SERVICES**

The Management Office will gladly arrange or provide referrals for special services, such as electrical, painting, or pest control, which may extend beyond the day-to-day needs of tenants. For information regarding these services, please contact the Management Office.

Even with the extensive cleaning program offered, there are many additional services you may wish to consider. The following services can be provided by the Management Office for an additional fee:

1. Carpets: Thorough carpet care requires a professionally organized program that includes steam cleaning alternated with lighter cleaning and power pile lifting, as well as ongoing spot cleaning. Carpeting is an expensive and heavily used portion of your space. Moreover, instituting an ongoing maintenance program to keep carpeting free from grit will maintain the carpet and keep it in peak condition for many years. This type of program has the added advantage of enhancing the fresh, clean look in your space and contributes to employee satisfaction.
2. Floors: Prolonging the life and beauty of any floor requires a combination of proper maintenance techniques including stripping, sealing, waxing, and buffing. Wood and tile floors often require special care on a regular basis to preserve their natural appeal and life span.
3. Upholstery: Upholstery should be vacuumed and cleaned on a regular basis with spot cleaning done when necessary. Dirt in furniture retains odors and mutes the color of the fabric. Marks make the furniture appear unsightly. This can be critical when considering the professional, first class image of your office.
4. Drapes/Blinds: As with upholstery, draperies or blinds should be cleaned on a regular basis. This helps to maintain color and the fresh, crisp appearance, as well as removing any odors that might be trapped in the fabric.

5. Partition Glass Walls and Doors: Our janitorial staff can be contracted to thorough clean on both sides of the glass at an additional charge. A regular weekly or monthly cleaning may be set up in advance.
