

Roof Deck

The roof deck was completed in July of 2013. It features free WiFi, excellent Southern facing views, lush landscaping and state-of-the-art entertainment system. It is open for tenant use from 8am to 8pm Monday through Friday. If you would like to reserve the deck for a private tenant event please find the on line Information Request form on the 360 website under The 360 tab. Below are a few guidelines corresponding with the use of the roof deck.

- Maximum occupancy is 290 people.
- Propane is not allowed on the roof deck unless a permit is coordinated through the San Francisco Fire Department along with the Management Office.
- Use of the audio system and fire pits will need to be arranged through the Building Management Office.
- Restrooms may be accessed via the stairwell inside of the roof deck elevator lobby on the 7th floor.
- Wifi Username: Rooftop Guest, Password: KilroyGuest
